CANCELLATIONS AND REFUNDS

If you wish to cancel a Camp booking for any reason, you must do so in writing to hello@mypro.golf

The contract may be cancelled within 14 days of receiving notice of acceptance and a full refund payable of any fees received, less any bank charges incurred. Thereafter the full outstanding fee becomes due and payable.

a) If cancellation occurs more than 60 days prior to the camp start date: voucher for 100% of the camp fees paid (less £25 administration charge)

b) If cancellation occurs more than 30 days prior to the camp start date: voucher for 50% of the camp fees paid (less £25 administration charge)

c) If cancellation occurs more than 15 days prior to the camp start date: voucher for 25% of the camp fees (less £25 administration charge)

d) Cancellation within 15 days of the camp start date or after the camp start date: no refund of camp fees

In the event that any discounts were applied when booking, (i.e. multi-week/multi-junior) and the cancellation of part of the booking would no longer mean that the booking is eligible to receive these discounts, this would be factored into the value of the voucher. Vouchers are valid for two calendar years. All vouchers are transferable to any family member, providing they meet entry requirements (as advertised). In the event of a price increase, the difference will have to be paid on registration for the following year.

In the event that a cancellation occurs due to 'force majeure' such as fire, flooding, infectious diseases, epidemics, pandemics, acts of god, government, terrorism, natural disaster, war, labour conditions and power failures and other events out with the guardian or Mypro's reasonable control that prevent the junior from attending, no refund of fees will be made, except at the camps discretion and in accordance with the cancellation policies stated above.

We highly recommend parents purchase cancellation insurance in the student's country of residence, in order to ensure full reimbursement for cancellation before the start of the camp, or in case of early departure from the camp due to accident, illness, death of a family member etc.

JUNIORS REQUIRING A VISA TO ATTEND & VISA REFUSAL

In some instances, juniors may require visa support documents and these can be issued on request. Applicants are encouraged to apply for a visa as soon as their place on a camp is confirmed to ensure there is enough time for the visa to be processed. If a junior's visa is denied and Mypro are notified by May 1st, a voucher for all fees paid to Mypro will be issued for use in the following calendar year. After May 1st, applicants are not eligible for any refund. By agreeing to these terms and conditions, applicants must keep Mypro updated with the progress of their visa application and immediately inform Mypro of any issues. It is the sole responsibility of the applicant to apply for their visa to the UK.

TRAVEL INSURANCE

All juniors must have relevant travel insurance; we recommend insurance that is fully comprehensive. Mypro is not responsible for any deficiencies in your insurance policy. In addition, Mypro is not responsible for lost or stolen articles or money and does not cover any damages or breakages of personal items. Juniors must take responsibility for their personal possessions.

MEDICAL INSURANCE

Guardians and juniors are responsible for informing us on application of all medical, dental, dietary, educational or other special needs regarding the junior. All costs related to those needs including medical and dental care, tests, allergy, shots and prescriptions are the responsibility of the guardian. Applicants should ensure that they have appropriate medical insurance to cover any medical treatment received while in the UK. This must be purchased before arrival at Mypro. All bills from health facilities used by Mypro on behalf of a junior will be sent to the guardian for payment.

EMERGENCY MEDICAL CARE

In the event of an emergency, the parent/guardian authorises Mypro to contact and secure, if necessary, medical attention for their son/daughter. If emergency or surgical treatment is required and the parent/guardian is not contactable (all efforts will be made to contact the parent/guardian in the first instance) the parent/guardian gives permission for a Mypro representative along with senior management to secure whatever medical treatment may be required as advised by a medical professional.

TRAVEL DOCUMENTS/VISAS

A valid passport is essential for travel to the UK with an expiry date of at least 6 months beyond the end date of your visit. All juniors are responsible for arranging appropriate travel documentation, such as visas, where required, see above, 'juniors requiring a visa to attend/visa refusal'.

TRANSPORT & TRAVEL

All juniors arriving and departing from Edinburgh International Airport on the stated dates will be transferred to and from our campus free of charge as long as they arrive within the departure time of summer school coaches. Mypro must receive all flight/travel information by 1st June.

DISMISSAL FROM PROGRAM

We reserve the right to dismiss any junior found in breach of Mypro's Terms and Conditions/ Rules & Regulations. Should a junior violate any of these rules, Mypro has the right to dismiss or exclude the junior from the program and, in extreme cases, repatriate that junior at the junior's/guardian's own expense, in any case, without refund.

CHANGES TO THE PROGRAM

We reserve the right to change or cancel courses, and to modify the program, including which University Halls of Residence juniors will stay in and location of programme delivery, as circumstances dictate. We will advise juniors of any changes that significantly alter the program they have selected.

RESPONSIBILITY/LIABILITY

Mypro will exercise due care in arranging and conducting the program. However, we cannot assume responsibility or liability for any damage, loss, claim or injury of any kind whatsoever resulting from any act of omission, commission or inadvertence of any accommodation provider or carrier or other company or person rendering any of the services required as part of the program. Nor can Mypro be responsible for any junior who leaves the program (with or without Mypro's consent) or who breaks the rules and regulations and in doing so suffers loss or injury. Causing harm to yourself or others will not be tolerated.

To the maximum extent permitted by law, Mypro excludes liability for any loss or damage of any kind however arising, including, without limitation, any direct, indirect or consequential monetary or other loss suffered by a guardian or junior as a result of the junior taking part in one of Mypro's programs but if Mypro is held by a Scottish court to be directly responsible for any such loss or damage, we will pay to the guardian or junior who has suffered loss up to the amount equal to the price paid to Mypro for the relevant program.

Mypro will not assume responsibility or liability for any damage, loss, claim or injury resulting from events beyond its control including, without limitation, acts of God, strikes, incidents of terrorism, politically or religiously motivated violence, war, sickness, government restrictions or regulations, weather, quarantines or wilful or negligent acts of third parties or suppliers to Mypro.
